Council Approves Contract With John Boucher For Garbage Disposal

LAC LA BICHE—At the regular meeting of town council, May 28, seven tenders for the contract to collect and dispose of the town's garbage were received.

EDDY DOWHANUIK, age 15, who lost his life in the swift cold May waters of the Lac la Biche river, was a prospective grade nine student in the school here at Plamondon. Eddie lived with his parents two sisters and two brothers in the Bayview district.

The contract was given to John Boucher of Lac la Biche, and the date for putting the system into force was set for June 15. It was felt that this would give residents time to clean up any old accumulation of garbage and waste matter and provide the required stands and cans. It was also felt that by allowing a short period before acquainted with the regulations.

Copies of the by-law relating to garbage disposal are to be made available to each householder as well as being advertised in the local press. The sanitary health inspector of the Athabasca Health Unit was appointed as supervisor of garbage disposal.

The secretary was instructed to arrange for the fencing of the town nuisance grounds. It was also decided that a survey of the "Old Town" should be made to ascertain the prospects for installing sewers and additional water services.

A building permit for construction of a dwelling to cost $12,000 was approved, as well as a permit for a private garage to cost $250.

Funeral Held For Mrs. Meyer

Funeral services were held recently for Mrs. Fred Meyer, Sr., an old timer of the Freedom district, who passed away in the Barrhead hospital in her 80th year.

Mrs. Meyer was born Matilda Cathrine Eggers in 1877 Becka County Missouri. In 1893 she married Fred Meyer and in 1903 she came to Clyde. In 1930, Mrs. Meyer again pioneered this time to the Wandering River where she lived until 1947, when she moved to Freedom where she resided up to the time of her death.

She leaves to mourn her loss five sons Fred of Freedom, Hugo of Rochfort Bridge, John of Wandering River and Henry and Dick of Barrhead; two daughters, Mrs. Ed Donnelly of Freedom and Mrs. Charlie Spackman of Nestow; 25 grandchildren, also one brother in Frazee, Minn., U.S.A.

Her husband predeceased her in 1943.

Funeral services were conducted from the Barrhead St. Mary's Anglican church. Rev. L. S. Thurston officiated. The interment took place at the Wandering River cemetery at Wandering River, with Rev. R. S. H. Greene of Lac la Biche officiating.

Pallbearers were her grandsons, Dale Meyer, Norman Donnelly, Pat Spackman, Don Donnelly, Joe Smith and Aino Carlson.

Wandering River

Mrs. Olga Zubko served dinner at her home recently in memory of the late Mr. Zubko.

Paul Rebkowich is now home visiting his parents.

The empty honors that the world bestows do not carry beyond the grave.

Dog Ensnared

OWL RIVER—This is the story of a catch that bit the fisherman.

A large black dog became entangled in Metro Mihalcheon's fishing line. When Michalcheon tried to free the dog, he received a severe bite on his left hand from the quadruped.

Michalcheon was given first aid by Ludwig Diesel prior to medical attention at Lac la Biche.

Lac la Biche Mission

Antoinette Bourque is leaving for Vancouver after spending three weeks with her parents.

Estelle Bourque, employed at Misericordia hospital in Edmonton, is spending a few days with her parents before going to Vancouver, where she will be employed.

Mrs. A. Fortier has left to join her husband at Fort McMurray.

McRae

The local ball team achieved a numberless score, while the opponent made three points in a game at Spedden.

Weekend visitors at the home of Mr. and Mrs. C. Littlechild were Kenneth Littlechild, Betty Radkae and Mr. and Mrs. L. Peterson, all from Edmonton.

Irene Littlechild returned home from Vilna hospital the day after she was admitted there, her illness proving less serious than earlier thought.

Mr. and Mrs. L. Calliou from Edmonton visited Mrs. Edith Whitford.

Mrs. Peter Erasmus returned to Edmonton for a few days with her brother Kenneth.

Church service was held at the home of Mrs. Zaposzosky by the Rev. F. Wilson of Craigend.

Burning Bridge Halts Trip

RICH LAKE—The L. Kumpula family won't be able to remark that their recent trip to St. Lina was routine.

On arriving at Beaver River bridge, they found the north end of the bridge on fire.

They sought help of a nearby family, the Kostinuiks, and with buckets of water and two hours work, they succeeded in putting out the flames.

The large wooden supports holding the iron bridge were burned badly, and the plank floor of the bridge was burned through in some places.

Mrs. Mike Bahmes of St. Lina informed the road engineer of the fire for Mr. Kumpula.

Wandering River School Wins Cup

Wandering River School has done it again.

At the track meet, held at Lac la Biche, Wandering River School won the silver cup for the third consecutive year, competing against the schools in the Lac la Biche School Division.

Hylo

Mrs. M. Oucher and Mrs. L. Marchese made a business trip to Lac la Biche.

Mr. and Mrs. Bruna Bourassa were Sunday guests at his mother's home.

Mr. and Mrs. Alex Lozinski have gone to Vancouver for a month.

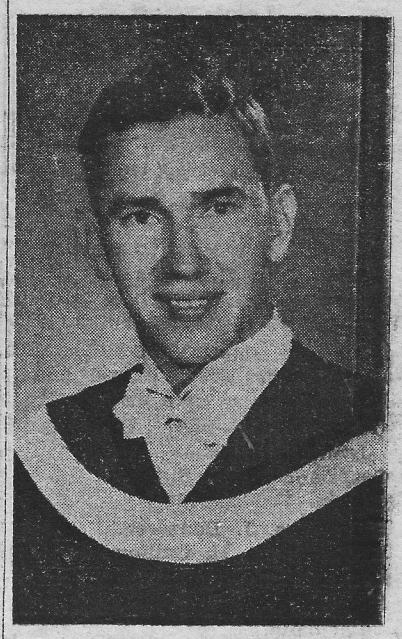
Mrs. B. Lozinski made a business trip to Edmonton.

Board Of Trade Favors Dam For Safe Water Level

Concern was expressed over the fluctuating levels of the waters of Lac la Biche, when the Board of Trade met for a short meeting, May 27.

It was brought to the attention of the members that at certain times in the past many fish have died when the level dropped too low. The fact that the town takes its supply of water from the lake also requires that the level should not go lower than a certain minimum.

The meeting strongly supported a resolution asking that a letter to the Provincial Minister of Agriculture urging that a dam be constructed at the mouth of the Lac la Biche River so as to ensure a safe level of water in the lake at all seasons. The lake is considerably lower than it was a year ago.



KEITH McKENZIE of Atmore who graduated May 17 from University of Alberta school of medicine in ceremonies at the Jubilee Auditorium. The son of Mr. and Mrs. Ira McKenzie of Atmore, Keith attended the Grassland school prior to the university. His wife is the former Della Christopherson of Wainwright who has been teaching at King Edward school in Edmonton. He will intern at the General Hospital, Edmonton.

Kikino

Mr. and Mrs. Raymond Bellerose are new parents of a son.

Mr. and Mrs. Erasmus also are new parents of a son.

Mrs. Wayne McCullough is home from the hospital, where she was a patient for a week.

Mr. and Mrs. Leonard Calliou of Edmonton were here for the week-end.

Mr. and Mrs. Innis Gairdner are home after spending a couple of weeks in the city.

Frank Lightening of Upper Fraser, B.C., was here for a visit.

Andrew Gairdner left today for McMurray to find work. Also seek employment there are Mr. and Mrs. M. Tremblay and family.

Venice

Mr. and Mrs. David Biollo and daughters, Lorina and Romana from Edmonton are visiting in the district.

Mrs. Alice Nordin and children, Margrette and Ricky from Fairview are staying at the home of Mrs. Nordin's sister, Mrs. Dan Rowland.

Vallee Torresan from Edmonton was home for a week.

Val Biollo and Ray Togas from Edmonton spent the weekend visiting here.

Paul Feledichuk is visiting his parents.

"Hawrelak 'Yes Man' to Ottawa Liberal Hierachy" Says Gordon Taylor

A front page story in the Edmonton Journal on May 15 quoting William Hawrelak as saying in a talk in Hamilton, Ont., that the Ottawa Liberal government has "a grand record of performance" was referred to by the Hon. Gordon E. Taylor, minister of highways when addressing a large crowd in the town of Lac la Biche in support of the Social Credit candidate for that riding, Mr. Archie McPhail, recently.

"Any man who calls the record of the federal Liberal party 'a grand performance has either sold out to the Ottawa Liberal hierarchy for reasons best known to himself or he hasn't a clue as to what has been going on" declared the Minister of Highways. "This 'grand record of performance' is a disgrace to the nation . . . this Liberal government has lost or thrown away our wheat markets in Great Britain and so our farmers are wheat rich and money poor, and while our wheat lies pil in our fields or granaries the farmers of other nations enjoy the prosperity resulting from wheat sold to the British;

". . . our local markets have been stolen from the Canadian coal industry by this Liberal government and while our coal centres remain idle the American coal fields supply our needs; and then the Canadian people are asked to pay large sums in exchange for the privilege of using American coal, and this even though during the first two months of this year Canada had a trade deficit to U.S.A. of more than 150 million dollars;

".while talking peace this Liberal government sold armaments of war to Nasser; . . ."

Mr. Taylor went on to deal with the discriminatory freight rates foisted onto the people of Western Canada and the "shameful policy of the Liberal government in amending the Railway Act, making the one and one third rule applicable and then refusing to amend the Transport Act in the same way . . . truly an act of subtle deceit."

"This grand performance referred to by Hawrelak is a disgraceful performance and when Liberal candidates condone it and praise it they have sold out to the people and bought a place for themselves in the good books of the Liberal hierarchy at Ottawa," Gordon Taylor declared amidst applause.

Archie McPhail also spoke at the meeting and declared that "if elected he would report to each area at least four times a period and not only just before another election."

Won't Destroy Wolf That Ate Arm Of Small Boy At Brandon Zoo

BRANDON, Man. — Officials here have stated they will not destroy the wolf that ripped off and ate the arm of a small Brandon boy.

Bobby Gilmore, 5, whose left arm was torn off at the elbow by a timber wolf Saturday is reported in fair condition in hospital.

Bobby was with a group of children at the Brandon Kinsmen's zoo when he put his hand through the wire surrounding the wolf pen. He was grabbed by a timber wolf, which was inside the pen with a she-wolf and two cubs. His arm, was later amputated between the elbow and shoulder.

Robert Laing, 52, of St. Vital, who was visiting the zoo with his wife and family, was called to the scene by other children.

"I was just getting ready to go when two boys came along and said a wolf had hold of a little boy by the arm," He said in an interview.

"I ran with him to the cage and there was a woman trying to pull the boy away from the wolf. She wasn't getting the boy away so I pushed her to one side, then grabbed the boy."

"Half his arm was in the wolf's mouth. In yanking him clear the arm came off at the elbow."

Mr. Laing said the boy was fully conscious and was not crying.

"He was yelling and screaming and even wanted to walk by himself to the car," he said.

Mr. Laing said he picked up the boy and ran to his car which was near the park gate.

"When I mentioned we were taking him to hospital he started crying and wanted to go home to his mother."

Benefit Bingo

HEATHERSAGE—A successful benefit bingo was held in the Heathersage hall for the Joe Springer family.

J. M. DECHENE

Athabasca Liberal Campaign Progresses

During the past week, J. M. Dechene, MP for this constituency since 1940, completed a series of meetings in the north and west portions of the consttiuency.

After visiting certain northern points, he held an afternoon meeting at Ft. Chipewyan, and evening meeting at Ft. McMurray on the same day. At both places, he was accompanied by Mike Maccagno, MLA for the constituency of Lac la Biche, who is the provincial representative for the districts concerned, and by Richard E. Hall, MLA for the constituency of Lac la Biche, who is the provincial representative for the districts concerned, and by Richard E. Hall, MLA for Athabasca. Each of the MLA's spoke briefly, expressing their belief that the development of the north would be better assured by the return of a Liberal government in Ottawa, and by the reelection of Mr. Dechene.

Mr. Dechene review the record of the Liberal administration, and asked his audiences to share his belief that this is no time to change from an experienced and proven administration. He spoke of the imminent construction of an airport at Ft. Chipewyan, and of the extension and development proposed for the McMurray airport.

At Ft. McMurray he dealt with the question of maintaining a road from the town to the airport, and he was able to announce that, thanks to his efforts, the federal government had undertaken some responsibility for this work.

J. Harper Prowse, MLA, the provincial Liberal leader, attended meetings with Mr. Dechene at Westlock and Boyle. These meetings were well-attended, and Mr. Prowse dealt with problems concerning the welfare of Alberta from the federal point of view, concluding that the province and its residents would be better served if the Ottawa government remained in the hands of a truly national party. He also urged his audiences to support one of the national parties, rather than divide their forces by voting for splinter groups.

Mr. Dechene, in turn, dealt largely with his personal record of service to the constituency of Athabasca, and with his desire and his ability to continue serving the people who had so long given him their confidence. He described the Liberal caucus in Ottawa, of which he has been chairman for the past four years, and he explained that his influence as a member of the party in office would be far greater on behalf of the constituency itself, as well as in the interests of western agriculture in general. He also described himself as the only local candidate seeking election in this constituency, and suggested that Athabasca was sufficiently mature to produce men within the district to represent its people in Ottawa.

During the present week, Mr. Dechene's campaign shifts to the eastern portions of the constituency with meetings at Grand Centre and Cold Lake, and other points.

On Friday, June 7, the official opening of the new Lac la Biche post office take place in the afternoon, and on that same evening a public meeting will be held in Athabasca, at which, in addition to Mr. Dechene, Mr. Prowse and Mr. Hall will be the speakers.

The campaign will wind up with a mass meeting in Bonnyville, Mr. Dechene's home town, the evening of June 9.

Egg Lake

Nick Luc, who is working for the Ed Miller Construction Co., took his family with him to a residence at Buck Creek. Mrs. Luc and girls had been staying with her parents, Mr. and Mrs. Albert Huppie for the last few months.

District Boys Attend Farm Short Course

It has been announced in Calgary that Carman Lloy McGhan of South Edmonton, and Jim Briggs of Coronado, have been selected to attend Farm Young People's Week being held at the University of Alberta in Edmonton from June 4 to 13.

They are among 35 farm boys and girls being sent to this short course by the Alberta Wheat Pool. Nominations of the young people were made by farm organizations and selection was made mainly on the basis of participation and interest in rural community activities.

Polish-Born Canadian P.C. Candidate

ST. PAUL (BUP) — A Polish-born Canadian, who lost his left leg as a child, is the Progressive Conservative candidate for the Athabasca riding in the June 10 election.

Alex Shore, who is 33 years of age, came to Canada with his family and homesteaded in the Morton district of Manitoba. It was here, when 13 years old, that he suffered from osteomyelitis, which resulted in the amputation of his leg. He was forced to leave the farm and went to work in Ontario, where he studied and finally became a dental technician.

Shore came to Alberta five years ago, when he married a Bonnyville nurse, and now manages his own business in Edmonton. The Shores have two girls and a boy. The last time a Tory ran for Athabasca back in a by-election 1932, he was elected.

The seat was held in the last parliament by Joseph Dechene. Even though he is in poor health and 78 years of age, Dechene is seeking re-election. He has been Athabasca's MP for the past 17 years.

Other candidates are CCF'er Mayor N. W. Svelka of Willingdon and Sosial Crediter Archie McPhail.

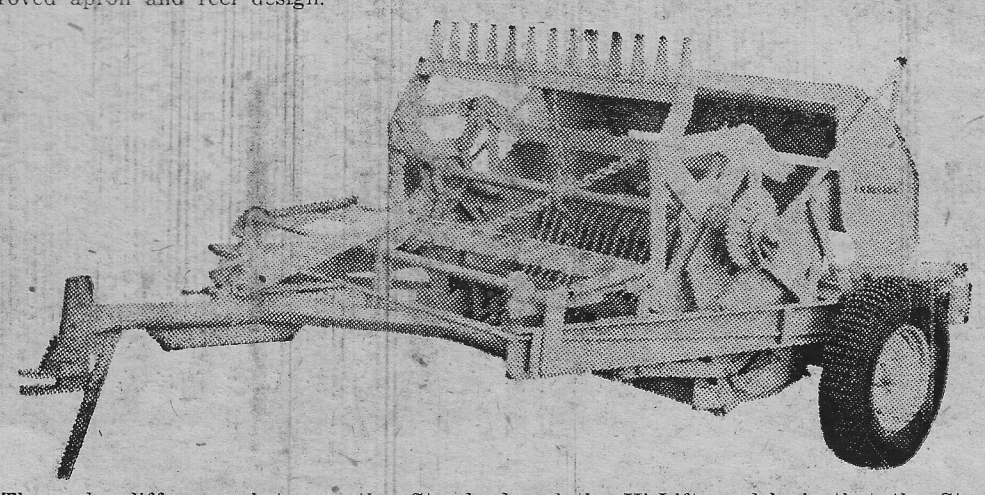
ANDERSON

Flexible Picking Apron, Spring Loaded, Non Jamming, Trouble Free

Why take a chance on ruining valuable machinery when you can clear your planted or fallow field . . . remove 100-tons or more of dirt-free rocks a day and do it continuously?

Merely hitch an Andersor Rotary Rock Picker to your tractor and move over the field at about 4 miles an hour; up-hill, down-hill, side-hill or on the level. The Anderson Rotary Rock Picker cleans a 6-foot swath of rocks from 1½-inch diameter to 200 pound boulders.

Soil clinging to the rocks, is loosened and drops freely to the ground because of the improved apron and reel design.



The only difference between the Standard and the Hi-Lift models is that the Standard dumps only on the ground, while the Hi-Lift dumps on the ground or the hopper can be raised, hydraulically, up to 7 feet to dump into a truck and so move the load to the rock pile faster. A new improved type overhead carrier for the Hi-Lift hopper box permits closer backing to a truck or rock pile.

Simple in operation; inexpensive to use; sturdy in construction, the Anderson Rotary Rock Picker transforms rock lands into crop lands.

THE ANDERSON ROCK PICKER IS A GOOD INVESTMENT

IT PAYS . . . Increased Land Value, Protects Valuable Machinery, Great Savings in Labor Cost, Speeds All Farm Operations, Increased Production.

THE Homemaker

By Doris Montalbetti

A WORD ON FLOORS

The floor often forgotten, plays a very important role in my decorating scheme. It forms the background of the room and is usually the first item a stranger will notice. Therefore, it would behoove us to spend considerable time choosing a floor covering in order to get an attractive, easily maintained floor.

The wide selection of floor coverings on the market today leaves the prospective buyer somewhat bewildered. The important items to consider are: appearance, maintenance, ease on the feet (brittle or resilient), wearability and cost. For an irregular shaped room tiles are often more economical than the lino by the yard.

One of the best standards to use when judging the value of a floor covering is an honest neighbor's opinion who has used it for any length of time.

Then when you get your floor covering, take care of it. Follow manufacturer's instructions on type of care to use. Use soaps and water sparingly and definitely not a detergent. Remember, wax preserves your floors and two thin coats are much better than one thick one. Oil mops should never be used on waxed floors, since oil produces a sticky film.

Do not use paint, laquer or varnish on linoleum floors, since these finishes wear off soon and unevenly and are hard to remove. For more information see your D.H.E.

And say, ladies, the rhubarb's ready. Write for our free bulletin on rhubarb recipes.

Both have a bank account - and a purpose for saving

You probably have your own equally good reasons for saving. There are thousands.

One way to be sure you will have the money you want when you want it is to make regular deposits in your bank account.

It takes will-power. Sometimes it means doing without things you are tempted to buy.

But as you advance steadily toward your chosen objective, you know the satisfying feeling that comes with getting ahead financially. You realize that you are creating a reserve of ready cash that can be a gateway to future opportunity, or serve as a bulwark in time of need. You can always count on a bank account.

Save at a bank — millions do!

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Uncle Bill's Politicians

They say that all dogs have their day,
But farmers, they forget,
Have slaved and hoped for centuries,
And we ain't had ours yet,

We watch the labor unions strike
For shorter hours, more pay.
We've learned this lesson, squeaking wheels.
Get grease without delay!

They tell us we should organize,
But we work day and night
To earn enough to pay for tools;
They're priced right out of sight!

So when a politician says
His plan is just perfection,
We work our durn fool heads off
A gettin' the election.

He says he'll spend his lifetime
A fightin' for our rights;
He'll cut our taxes, leave us cash
For water, cars and lights.

Oh, gosh, the things he promised us:
Just anything t' please ye;
But once he's in, then right away
He's stricken with amnesia!

The pink tiled bath and limousine,
Fine home—oh, sure, we bought 'em;
The only thing that burns us up
Is, he's the guy that got 'em.

No, we ain't cured, we're waiting til
This guy has served his term;
Then once again we'll grab the hook
That holds the biggest worm.

Thorhild Couple Marks 50th Anniversary

THORHILD — Mr. and Mrs. Opolski, long-time residents of the Thorhild district, celebrated their golden wedding anniversary, May 20. Children and grand children gathered at their home for a family party. Mr. Opolski was presented with a gold tie-clip and Mrs. Opolski with a gold neckrace to commemorate this important occasion.

Library School Is Suggested

Members of Northern Alberta Library Boards heard a suggestion at the annual convention of the Alberta Libray Association, held in the Rutherford Library on Wednesday of last week that an undergraduate course in library science be given to enable librarians from small libraries, commercial libraries and institutional libraries to acquire sufficient knowledge to operate libraries efficiently.

During a panel discussion in the afternoon it was stated a common objection to library work as a career as expressed by young persons interviewed, that the work seems dull, the wages low, the hours unattractive, and so girls thought, there are no chances to meet men.

The panel consisted of Morton Coburn, chief librarian of the Edmonton public library; Miss Kathleen Taylor, Imperial Oil Library; Miss Phyllis Lapworth, Medicine Hat public library; John Dutton, Lethbridge public library and H. Bruce Peel of the Rutherford Library, University of Alberta.

Newly elected officers are Miss Kathleen Taylor, president; Mr. Coburn, first vice-president; Miss Florence MacDonald; second vice-president; Miss Beatrice Brandt, treasurer and Miss Juliet Scott, secretary.

Miss Dorothy Crosbie of the membership committee reported 31 new members libraries joined the association during the year.

Baseball News

The South Peace Baseball League with four teams representing Guy, High Prairie, Donnelly and Nampa have started their 1957 season. On Wednesday May 22 the High Prairie team journeyed to Donnelly, with Donnelly winning the game 10-5.

Donnelly team was sparked by the pitching of Johnny Doucette who played with the Edmonton Eskimos last year and Pete Serbu. High Prairie pitchers were Jimmy Kozie and Keith Guertin.

Sunday afternoon saw Nampa visiting High Prairie with the final score 10-6 in favor of High Prairie. Pitching for High Prairie was Jimmy Kozie, Keith Guertin and place.

The Kinuso Juniors whipped the Widewater Athletics 25 to 7 in Widewater Sunday. Kinuso and Widewater are now tied for first place in the league.

The Faust Juniors defeated Slave Lake 20 to 0 at Kinuso ball diamond. The Faust and Slave Lake Juniors are now tied for second place.

The Kinuso Clippers defeated Widewater 20 to 6 in a game at Widewater. Faust defeated Slave Lake Seniors. The series are now, Kinuso, first; Faust, Widewater and Slave Lake tied for second Ken Enders. The highlight of the game were two spectacular home runs by Gerry Meadus for High Prairie.

Municipal Council Approves Plans For Cabins To Be Built at Czar Lake

The regular meeting of the municipal district was held May 9 with all except one councillor present. The minutes of the April meetings were adopted and the financial statement approved covering receipts of $10,079.89 and expenditures of $74,154.29.

Two applications interviewed the council regarding lots at Czar Lake on which to construct private cabins. The applications were approved subject to the final approval of the committee. An offer for the purchase of the gravel loader and hopper was considered and approved in the amount of $600.00.

A petiiton from ratepayers of township 39, range 5, requesting reinspection for PFRA was considered and forwarded to the department for reconsideration.

The sale of NW-27-40-7-W4 was given further discussion and if opening bid was submitted, tenders would be called. Approval was recommended for the construction of a service station and lunch counter on NW-33-40-6W4.

The application of J. Martin as caretaker of Czar Lake was accepted to commence employment on May 15. The secretary was instructed to contact the Department of Lands and Forests Parks board with respect to taking over Czar Lake property.

The resignation of Miss Mary Crone was accepted with regret effective for June 28, and a previous applicant requested to appear for an interview with the council. The secretary was delegated to attend the annual secretary's convention to be held on June 13-15.

Information was discussed on the recent Farm Purchase Credit act and tabled pending further information from the department. Council discussed briefly the matter of an Agricultural Service board and authorized a special meeting on June 7 for further discussion and possible implementation. J. S. Duncan, DA, was requested to attend.

Requests for grants to the Cancer Drive and for the Legion Salvation Army drive were considered and tabled until fall for consideration along with others.

An order was placed with the Department of Agriculture for 50 kegs of sodium chlorate and 100 sacks of polybor chlorate.

The following poundkeepers were reappointed: Div. 1, Martin Wetzstein; Div. 2, Sim Hager; Div. 3, W. Prediger, H. Menzies; Div. 4, Ole Torpe, Keith Read; Div. 5, A. J. Flynn, I. K. Froland; Div. 6, Allan Currier, Howard Carson; Div. 7, Paul Powell, Louis Delange.

A bylaw authorizing the payment of 2½c per egg and 5c per feet for both magpie and crow feet and eggs was approved from May 15 to Aug. 31.

Other matters given consideration were: lease rentals, 2 welfare cases, annexation of Theaker addition, cook for E.C.C. hire of 1 machine operator, Form "A"s.

Fire Causes $10,000 Damage

GIROUXVILLE — A large machine shed, a combine and many valuable tools were completely destroyed by fire early Sunday evening May 12.

The property, owned by Mrs Rosie Brochu is situated six miles from town.

Firemen were called out and they managed to save the threatened adjacent buildings. The cause of the fire still remains unknown and damages estimated at 10,000. No insurance was carried.

Band Hears Mission Reports

AMISK — The Mission Band held their monthly meeting in the prayer room of the church for the busy season. Missionary reports were given.

The first report from Ruth Helgeson since her return to Formosa was encouraging. Missionary Olga Johnson of India, who has been ill, acknowledged a donation. Rev. D. Violets of Akalavic had a circular that received comment.

Plans were made to assist the Westerose convention with ten towels which each member will bring to next meeting. Also the Band plans to get a baby layette for a young couple in need.

Several notes of thanks were read from persons and groups which the Bands activities had reached. Donations for blankets for the parsonage were received.

Next meeting will be the annual.

Cairns Notes Twins Tendency

CAIRNS — The birth of twin daughters, Lynne Anne and Laurie Jean to Mr. and Mrs. Clarence Kvigstad (nee Margaret Rampling) has recalled to some local residents the prevalence of twins here.

The Cairns district has boasted of several sets of twins since 1914.

In the Clansman district have been the Cameron twins, Rae and Roy; the Roderick twins, June and Joan; and Doris and Doreen Hanson.

Twin Lake claims three sets: the Dingle twins, Freestone twins and Leslie and Lyle Manning.

The Lee twins, Mabel and Melvin, came here as infants with their parents, and received their education at Twin Lake school.

Grain, Calf Clubs

POLAR STE—The 4-H Calf and Grain Clubs met at Lund's Service Station. Dean Porter of Czar gave a practical demonstration on grooming and showmanship using the Lund boy's calves as models.

It was announced that Achievement Day for the Calf Club would be held July 2 at Czar Lake in competition with Czar and Metiskow. This later date was chosen by the leaders of these clubs to allow for a better finish on the calves, and to prevent interference with exam time.

A discussion was held on the rally to be held at Czar, June 1. It was decided to enter two five-minute demonstrations — Dwight and Ralph Homan representing the Grain club, Leighton Mellamstrand, Tony Lefebvre and Melvin Johnson, the Calf club. The other members will arrange a 15-minute item for the program.

Discussions for a wiener roast was tabled until the next meeting.

Miss Betts was hostess to members of the Women's Institute for the regular meeting.

Paul and Bobby Lefebvre joined the first exodus of fishermen to Pierce Lake during the long weekend.

80 New Members Join Fish and Game Group

The High Prairie Fish and Game association held the regular meeting in the Elks' home on May 24 with a large attendance. Some 80 new membership applications were turned in to the secretary, J. B. Gavin. The committee intimated there would be a further substantial increase at the next meeting, which will be held on Friday, June 7 in the Elks' home at 8:30 p.m.

The fish derby was discussed at length but the final date will not decided until the next meeting. The secretary was instructed to pursue the matter further in regard to proposed provincial parks in regard to the sites around Grouard and Shaw's Point.

Films on fishing and wildlife were shown, much to the enjoyment of all in attendance. The ladies of High Prairie and district, who are interested, are welcome to attend the June 7 meeting, and also join the association.

Rockets Open Ball Season

SMOKY LAKE — The Smoky Lake senion baseball team opened the season by dropping the first game 6-1 to their long-time rivals, Warspite congregation, at a four-team tournament played at Bellis on Sunday last.

The Rockets' playing was ragged in spots which may be due to insufficient practice. Their only run came on a home run hit by Billy Chahley. Warspite's tiny Jimmy Feniak surprized the fans when he too banged out a round tripper with no one on bases.

The battery for the Rockets consisted of Dan Semetiuk and Bill Boyko, and Mike Melnyk and George Nickolaychuk for Warspite Both pitchers went the full distance despite the cool, windy day.

97 Attend O.O.R.P. Meet

HIGH PRAIRIE—Ninety-seven ladies representing seven lodges of the Order of the Royal Purple attended the district meeting held in High Prairie on Saturday, May 25. Lodges represented were Yellowknife, N.W.T., Peace River, McLennan, Valleyview, Faust, Slave Lake and High Prairie.

Yellowknife lodge won the cup for the best history book. This cup is to be competitive each year. A banquet was served in the United church sponsored by the United W.A. following the business meeting.

During the evening, a joint social with members of the Benevolent Order of Elks was held in the Elks' home.

Fur Breeders Hear Secretary

WIDEWATER — Norman Shields, executive secretary of the Canadian Mink Breeders' association, was guest speaker at a special meeting of the Widewater - Canyon Creek Fur Breeders' associaion at the Widewater school, May 23.

Mr. Shields spoke on the functions and work of the CMBA and during his talk he showed pictures and slides of mink styles and fashions.

The meeting was well attended. Following the meeting, lunch was served.

A Trip to Honolulu For Steve Kolach

THORHILD — Steve Kolach was the winner of a trip for two to Honolulu at the Cadillac bingo in the Edmonton Gardens, May 23. Mrs. Sadlak and Mrs. Kosakewich each won a portable radio at the same event.

Friends Gather When Couple Mark Anniversary

CAIRNS — More than 70 old friends and neighbors from Provost, Little Sak and Cairns converged at the Milo Yearous home in this district for a house warming and 40th anniversary celebration, May 5.

Floyd Speight led the gathering in community singing of songs, portraying different events in the lives of Mr. and Mrs. Yearous as he read their "history."

It was the old song "There's a Long Long Trail" that recalled the happiest memories. This sheet music was bought by Mr. Yearous from Calgary for his future bride. An accomplished soloist, she introduced the song at a concert in the Cadogan Hall. On their honeymoon in Calgary, they found the whole city was singing it. To the Yearous' who lived 17 miles from town, the trip by horses and buggy was a long long trail indeed.

J. J. Roderick travelled 20 miles to be at the anniversary. He had made a presentation of a clock by the municipal ocuncil, after their wedding and a presentation of silverware on their silver wedding anniversary. Reminiscing, Mr. Roderick said he had been friends with Mr. Yearous since 1910.

Mrs. F. Speight praised the couple for their hospitality, mentioning meals followed by singing around the piano. Diane Speight sang "Bless This House." Floyd Speight recalled meeting Yearouses first at their Silver wedding anniversary. He then presented Mr and Mrs. Yearous with a table lamp with a ruby shade. In keeping with the occasion flowers in ruby vases were also given. Mr. Yearous remarked that his father, a judge in Eagle Grove, Ia., always averred that he would never receive something for nothing. Mr. Yearous felt however, that he would never repay the kindness shown to them. Mrs. Yearous expressed her gratitude.

Supper was served by the ladies and the guests sampled the anniversary cake, baked and decorated by Mrs. Yearous herself.

Lawrence and Joe Yearous, Mr. and Mrs. Ted Svess (the former Teresa Yearous) and grandson Leonard Milo of Edmonton were able to attend.

3 4-H Clubs Join In Achievement Day

BERWYN — The 4-H clothing clubs of Berwyn, Reno and West Peace combined to present an Achievement Day and banquet at St. Paul's United church basement.

After the banquet, at which 100 persons were seated, was held the fashion show. From each club, each member modelled a piece of apparel, the second and third year girls of Berwyn modelling clothes they had made.

These included an airforce blue suit by Doris Berry, a brown and turquoise suit by Mona Bulmer, a navy blue princess line dress by Pat Lambert and a plaid dress by Shirley Chmilar.

Among those seated at the head table was Mrs. Don Arnett, who represented the Berwyn Post. Anecdotes were told and pantomines given.

Mr. Jamison of the Fairview School of Agriculture spoke on the values of 4-H work and Miss Mewha, provincial director of 4-H clubs, on the work of the 4-H clothing clubs. Miss Mitchell thanked them for attending.

Veronica Flett of West Peace clothing club was presented with a tray for efficient work in the past year by the Strong Creek community organization.

District Agriculturist Notes

By J. S. LORE

Permanent pastures in the parkland area of Western Canada occupy a sizeable acreage, but as a result of neglect and abuse their fertility make many pastures little more than exercise grounds, whereas they could contribute appreciably to the carrying capacity of the farm.

The results of a four-year pasture renovation experiment completed in 1956 at the Lacombe Experimental Farm show that the carrying capacity of rundown permanent pasture can be increased by approximately 75 per cent by top-dressing wihe barnyard manure or commercial fertilizer can be more than doubled through the bined use of tillage, reseeding and fertilizer.

The experiment was started in 1953 on a brome-Kentucky bluegrass sward that had not been broken for 30 years. The soil is light and sandy and the untreated pasture produced a total of only 4,476 pounds of dry matter forage per acre over the four years of test.

Well-rotted manure applied at the rate of 15 tons per acre early in the spring of the first and third years increased dry matter production to 7,600 pounds for four years. Ammonium phosphate 16-20-0 at a rate of 200 pounds per acre, also applied in the first and third years, increased total yield to 8,030 pounds per acre. The yield increases from manure during the year of application were much lower than those for the commercial fertilizer but the carry-over effect into the second year was much greater than for commercial fertilizer.

Tillage alone, with disc harrow, tool bar cultivator or one-way did nothing to improve the unfertilized pasture. Likewise, one-waying and reseeding without applying fertilizer or manure did not increase production.

The greatest improvement resulted from a combination of tillage fertilizer application and reseeding with a mixture of brome 4 lb., creeping red fescue 3 lb. and alfalfa 3 lb. The tillage coonsisted of a single stroke with the one-way at a depth of four inches and 200 pounds per acre of 16-20-0 fertilizer was applied at seeding time and again in the spring of the third year. This treatment resulted in a four year total yield of 9,173 pounds of dry matter forage per acre — an increase of 105 per cent over the untreated pasture.

Many permanent pastures are not tillable or are so steeply sloped that cultivation would quickly induce erosion. On these pastures, commercial fertilizers and manure must be relied upon to hold up production. Where the land is tillable, periodic tilling, reseeding and fertilizing will give the best results. At all times overgrazing should be avoided and pasture weeds should be held in check through clipping or by chemical control. Proper care and management of permanent pastures will pay big dividends.

If you really want to know what a fellow thinks of himself, you ought to hear him talk to a group of strangers about 500 miles from home.

By-Law No. 282 of the Town of Lac la Biche

The Municipal Council of the Town of Lac la Biche enacts as follows:

1. This By-law shall be known as the Town Garbage Collection By-law.

2. In this By-law the following words shall have meaning as indicated herein:

(a) "Garbage" shall mean the refuse of animal or vegetable matter, except night soil, which has been used or has been intended to be used as food.

(b) "Ashes" shall mean the residue of any substance used for fuel, except the residue used from steam coal used in steam boilers and the residue from coal where coal stokers are used.

(c) "Other Waste Matter" shall mean such articles as tin cans, bones, broken glass, bottles, iron, metal scraps, floor dust and all similar substances of a non-combustible nature that accumulate in the household, or result from trade operations, excepting stable refuse and silt and mud deposited in garages by cars, and sawdust, mill-scrap and shavings.

(d) "Householder" shall mean any owner occupant, lessee or tenant or any person in charge of any dwelling, hotel, restaurant, apartment house, office building, public institutions or other building or portion thereof.

(e) "Dwelling" shall mean any building or part thereof occupied as a place of abode, other than a hotel restaraunt, apartment house, tenement or building which contains more than two separate places for dwelling.

(f) "Superintendent" shall mean that official of the town of Lac la Biche appointed by resolution of the Council to supervise the carrying out of this By-law.

3. The Council of the Town of Lac la Biche may arrange for the collection or disposal of garbage, ashes and refuse as defined in Section 2 hereof, either by contract or by use of Town owned equipment and Town labor.

4. The decision of the superintendent as to quantities and class of material to be removed shall be final.

4. It shall be the duty of the superintendent to see that collections are made from all householders at least once each week and such more frequent collections from restaurants, butcher shops, grocery stores and wholesale fruit warehouses and other places as may from time to time be deemed necessary by the superintendent.

6. The collectors appointed or approved of by the Council shall have the right to enter at all convenient times such portions of all premises and yards as they require for the purpose of performing the duties assigned to them.

7. In no circumstances shall any such collector enter any building for the purpose of carrying out or of returning thereto any receptacle, nor shall he demand or receive any gratuity, gift, payment or consideration for services rendered beyond his regular wages.

8. For burning of combustible wastes, business places must provide an incinerator satisfactory to the superintendent.

9. Every householder shall provide a covered receptacle or receptacles, satisfactory to the superintendent, with a capacity of not more that 30 gallons and shall cause to be placed therein from time to time all garbage and or other waste matter accumulating in or about his premises. A stand shall be so constructed of an open framework of two by four lumber or other suitable material as to raise the bottom of the cans to a height of 20 inches from the ground level, and railed at a height of 32 inches from the ground level to prevent the cans from being upset. The landlord of multiple dwellings or apartments shall provide an incinerator and/or sufficient 30 gallon containers for the use of tenants to take care of the proper disposal of waste by the tenants of the said premises.

10. Householders shall thoroughly strain all table and kitchen waste, wrap it in paper and place it in the garbage receptacle. This section, however, does not apply to hotels, restaurants, butcher shops, grocery stores and wholesale fruit warehouses. Waste should not be deposited on the ground of adjoining premises.

11. Garbage and other waste matter shall not be mixed with ashes but other matter and garbage shall be mixed if desired.

12. It shall be unlawful for any person to place any other waste matter, garbage, ashes or container upon or in any street, sidewalk, lane, alley, public place or thoroughfare unless the same is expressly authorized by the superintendent, and such uses of any such street, sidewalk, lane, alley, public place or thoroughfare, shall be authorized or permitted only when the said superintendent deems it expedient and in the interests of the Town so to place such receptacle in order to avoid danger, unreasonable inconvenience or to facilitate collection.

13. The receptacle containing garbage, other waste matter and ashes for collection shall be placed on the property line adjacent to the lane or street as indicated to the superintendent.

14. No person other than those charged with the enforcement and authorized to carry out the provisions of this by-law shall interfere with or disturb the contents of any receptacle for collection or removal.

15. No person other than the scavenger shall have the right to deposit ashes, garbage and other waste matter whatsoever in or upon the Town waste disposal grounds without first obtaining the permission of the scavenger who shall have the right to direct where any such deposit shall be made, and shall be responsible for the maintenance of the waste disposal grounds in a satisfactory manner.

16. Any persons who shall deposit any dead animal, manure, excreta, refuse, garbage, liquid waste or other filth, upon or into any street, ditch, lane, highway, byway, water, well, wharf, dock, lake, pond, river, stream, or onto any land except with the written consent of the Town Council, shall be deemed to have hereby created a nuisance and shall be liable to the penalties provided for a breach of this by-law.

17. All loose paper, paper boxes, straw and other packing or waste material from stores, warehouses and other buildings within the said Town, all loose grass, weeds, wood, twigs or other combustible matter shall not be allowed to accumulate on any premises within the said Town, but shall be burned or so disposed of as not to create a nuisance, and any person who fails to comply with the provisions of this section shall be liable to the penalties provided for a breach of this by-law.

18. The Council may require the removal of any accumulation of dirt, stones, old implements or automobiles, or other rubbish from roads, lanes, and other private or public property within the said Town by the person depositing same, and any person who fails to comply with the requirement of the said notice shall be liable to the penalties provided for a breach of this by-law.

19. Outside closets shall be maintained in a good and sanitary condition by the owners or the occupants of the property.

20. No person shall construct a cesspool within the limits of the Town without first obtaining approval from the Sanitary Inspector.

21. Any person violating the provisions of this by-law, and who has been issued an official tag by the Town Police Officer for breach of same, may avoid prosecution by paying direct to the Secretary-Treasurer at the Town Office in Lac la Biche, within 48 hours of the issuance of the tag the following amounts:

First offence	$2.50
Second and subsequent offence	$5.00

22. Any person violating the provisions of this by-law shall be liable on summary conviction to a fine of not less than $5.00 or more than $10.00 and costs for a first offence, and to a fine of not less than $10.00 or more than $50.00 and costs for a second and subsequent offence, or in default of payment of fine, to imprisonment in the nearest common jail for a period of not more than thirty days.

NOTICE

By-Law No. 282 will go into effect on June 15th. All residents of Lac la Biche are requested to have any old accumulation of garbage, waste matter and ashes removed from their premises before that date,

— and —

Have approved garbage cans with lids, placed on stands in accordance with the regulations of the said by-law.

TOWN OF LAC LA BICHE, F. D. Creighton, Sec.-Treas.
